TRUST BUILT IN METAL

WE HAVE WORKERS WITH MORE THAN  
40 YEARS OF EXPERIENCE

## CORE VALUES

- Quality Craftsmanship – DIN /ISO-compliant materials
- Client-Centric Approach – Bespoke solutions
- Innovation & Sustainability – Smart, sustainable designs & Eco-friendly practices
- Timely Execution – On-schedule delivery

## ABOUT US

Stahlbau Infra Private Limited delivers cutting-edge architectural solutions in façade engineering, metal fabrication, and sustainable roofing. Combining precision with craftsmanship, we create structures that stand the test of time. From concept to completion, we build excellence into every project.

## WHO WE ARE

- A Kerala-based industry pioneer specializing in:
- Architectural façades (ACP/glass/metal cladding)
  - Structural metal fabrication (steel/aluminum)
  - Sustainable roofing & solar solutions
  - End-to-end turnkey project execution

## MISSION

To deliver innovative, sustainable architectural solutions that redefine urban landscapes.

## VISION

To be India's most trusted name in façade engineering and metalworks..
